- ✓ The following is a selection of images from Life and Social Skills.
- ✓ In this set you get over 500 images that you can use in a variety of ways.
- ✓ You have complete flexibility – the images resize easily and retain their quality.
- ✓ There are also templates for you to use that can be updated to suit your own style.

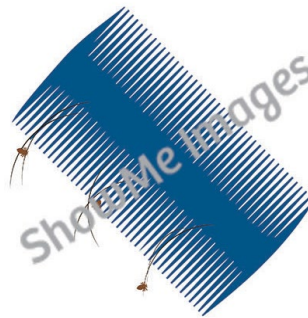

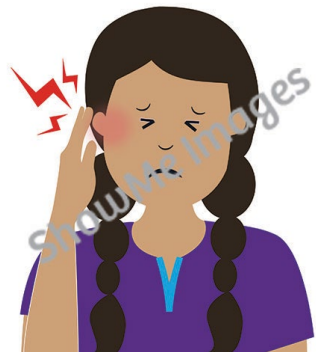

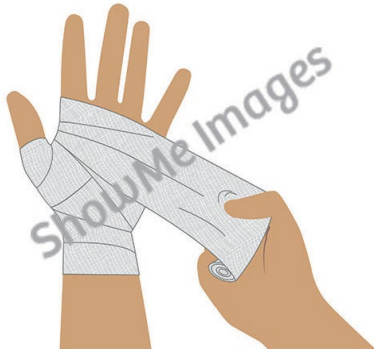

Clothing

Feelings

Health and hygiene

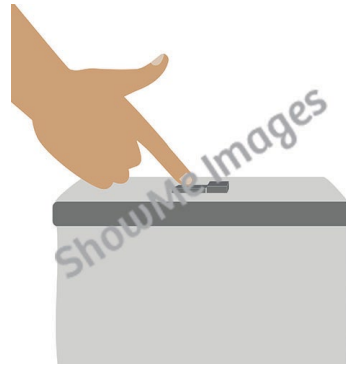

People

Social skills

Toileting

You can use our interface for easy image searching then insert the images into any document. Alternatively, you can open and browse the image files to find the image you're after. We've provided large and small image files for your convenience. They resize easily and retain their quality.

You can then use the images in software you already use to create resources, such as Word, PowerPoint or Boardmaker. You can even upload them to your devices and use them with your preferred apps.

Contact us

We're based in Melbourne, Australia but our images are available for use around the world.
